PERSONAL STATEMENT

Please use extra sheets if required

Experience: eg past employment, volunteer work, training undertaken, personal counselling experience, group work, and any other life experience that you feel is relevant to this application. **Please also identify the counselling skills training you have undertaken as the prerequisite for the course** (see brochure for details)

Have you personal experience of mental health problems?

(As the training is psychologically demanding, if you are currently having treatment or therapy for mental health issues we will want to discuss with you the potential implications of undertaking a counselling course.)

Motivation:

What is your motivation to undertake counselling training at this time?
What use do you intend to make of the training?

Personal attributes:

What personal attributes do you feel you have that could help you in becoming a counsellor?

What personal attributes could impede you in becoming a counsellor?

Course commitments

How do you feel about the time and financial commitments of the training (see brochure for details)

Assignments:

What are your thoughts about handling the written assignments and reading requirements?

Do you have any special needs?

Add anything else you would like us to know about you.
