

Relating to Self — Relating to others

Fulfilling Relationships - an Adlerian Perspective

We will be holding our next Annual Spring Conference on:

22nd/23rd/24th of March 2019

The Adlerian Society and Institute for Individual Psychology UK is excited to announce its upcoming annual Spring Conference for 2019. As always, we will extend a warm welcome to both members and non-members.

Guest Speaker: Dr Zivit Abramson

We invite attendees to submit proposals for presentations of papers, short workshops and creative endeavours around the conference theme. Please submit your proposals using the Call for Papers form on the Society's website.

You can attend for the whole three days of the conference programme, or on individual days during the weekend. Details can be found soon on the ASIIP website : <http://www.adleriansociety.co.uk/>

Conference will again be held at Lane End Conference Centre near High Wycombe (HP14 3HH)
